Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant had question regarding the abandonment of this case by the Publications Branch. This application was properly abandoned. According to MPEP 1306: Applicant's submission dated 08-18-10 makes no reference to "issue fee" nor to "fees due under 37 CFR 1.18". Further section II of the PTOL-85 (NOA 06-16-10) states that the applicant must submit PART B - Fee(s) Transmittal, or its equivalent with the payment of the Issue Fee and Publication Fee. Since applicant failed to meet either of the two above requirements this application was properly abandoned. The applicant was advised that they can file a petition to revive the application..
